**3rd ANNUAL CANADIAN**  
Bass Anglers Federation Corporate Challenge  
August 10 & 11, 2010

The purpose of the Canadian Bass Anglers Federation is to provide new and experienced anglers with an affordable entry into organized tournament bass fishing while fostering the spirit of friendship, learning and conservation. Chapter clubs are located throughout Central Ontario; their locations and meeting dates can be found by selecting the club's link on the website. Monthly meetings include some of the best anglers in the province as well as tackle manufacturers and other fishing and conservation related organizations as guest speakers.
